

Instructors Needed for VSNB After-school Enrichment Programs!

Please respond by February 15th

Do you enjoy teaching children fun new skills? We're looking for instructors to lead after-school programs for our second session. Past programs have included: arts & crafts, Lego activities, gaming, Japanese language & culture, beading, and more. If you have a hobby or interest you'd like to share, please consider being an instructor for the VSNB AEP!

The commitment is one day per week, for five weeks from 3:00 p.m. - 4:30 p.m. from March 11th through April 11th.

While we encourage instructors to donate their time if possible, we are also offering a \$120 stipend to instructors, plus an additional \$60 stipend to assistants (if your program requires two adults to run it), as well as reimbursement of up to \$100 for the cost of supplies.

If you are interested in leading a program, please fill out the bottom portion of this notice and return it to the main office, or contact our Director of Extracurricular Activities, Rachel Maher, at rmaher@vsnb.org

Thank you for helping us to enrich the lives of our Village School students!
