

Sponsorship Benefits

All Annual Sponsorships will include:

- Your business's name featured according to sponsorship level on a permanent poster displayed prominently in the school lobby and at all public events, including monthly school assemblies, concerts and the Winter Carnival, which attracts 1,000+ visitors.
- Your business's logo and a link to your business's website included on the BPIE page of the Village School website.
- Advertisement in our popular Holiday Catalog.
- Recognition in a BPIE "thank you" ad and event press releases in local newspapers.
- A special BPIE announcement sent to all Village School parents.

Plus, our highest level sponsors will have additional benefits as noted below.

- **Platinum Sponsor \$2,500+**
Customizable partnership based on services unique to your business; first choice of signature event sponsorship; business name and logo prominently featured on *Track & Treat* race shirts; and quarterly posts about your business on our Facebook page.
- **Gold Sponsor \$1,500 - \$2,499**
Signature event sponsorship; business name and logo featured on *Track & Treat* race shirts; and biannual posts about your business on our Facebook page.
- **Silver Sponsor \$1,000 - \$1,499**
Choice of school event sponsorship and business name on *Track & Treat* race shirts.
- **Bronze Sponsor \$500 - \$999**
School event sponsorship.
- **Sponsor \$250-\$499**

Children are at the heart of all we do.

The Village School of North Bennington
is a charitable 501(c)(3) organization.

Business Partners in Education

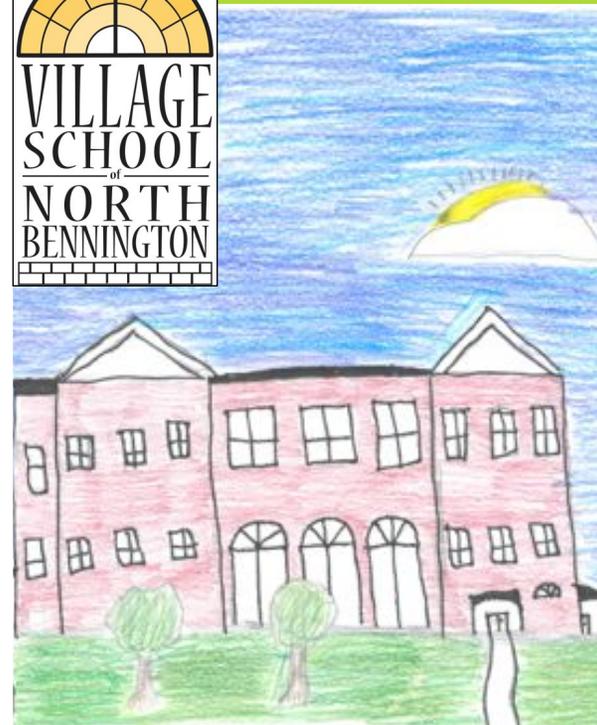

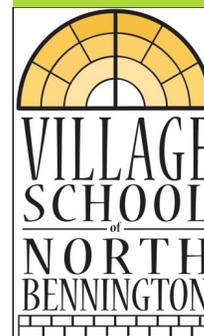

Illustration by VSNB 6th grade student Abigail Hodges.

**Students, teachers, families
and the community recognize
that *your* support helps to
make our school's academic
excellence and extracurricular
achievement possible.**

Great schools play an important role in the vitality of our community and contribute to a healthy business environment.

Looking for an opportunity to support local education? Become a Business Partner in Education (BPIE) and join with us to support our students, teachers, and community.

Our Partners include large and small businesses and organizations in the public and private sector. Your commitment allows us to work together on an annual basis to achieve goals that enhance the great work of our school, while also giving back to your business. Our special programs and enriching experiences cannot be funded without added resources and financial support. That's where Partners play a vital role in helping to ensure that we can continue to give our students the best possible education.

With each level of sponsorship, Partners benefit from increased recognition and visibility within the community. We are committed to using every opportunity to promote and market our Partners through our newsletters, website, signage, social media, and recognition at school and community events.

Top Teachers & Thriving Classrooms

We take pride in the education we offer our students and are excited to provide a host of special programs such as art, music, civics, computer technology, library, foreign languages, gardening, and much more. Our outstanding teachers have many innovative and engaging ways to teach our children.

Educational Field Trips

Every grade, from pre-K through 6th, participates in educational field trips ranging from excursions to Merck Forest, Keeywadin Environmental Camp and Howe Caverns to tours of local businesses to a range of locations from the Statue of Liberty and the Vermont State House to regional art, history, and nature museums.

Enrichment Opportunities

The Village School hosts a diversity of guest speakers throughout the year, as well as special programming during school and after school. Students benefit from opportunities such as the Four Winds Nature program and a Maker Space, as well as electives such as sign language, math games, animal tracking, and snowshoeing.

Community Events

Every year our school hosts a variety of community-wide events that bring in families, friends and visitors. Signature events include the First Day Celebration, Track & Treat 5K Fun Run, the North Bennington Winter Fest's Indoor Winter Carnival, the Lego Contest, Grandfriends Day, Invention Convention, and more.
