### **TUESDAY PROGRAMS**

#### **Watercolor Class**

Instructor: Rhonda Ratray (The Left Bank)

Grades: Kindergarten through 6th grade

Max. 12, Minimum: 4

Location: Art Room

*In this class, students will learn techniques for mixing paint, handling brushes and using watercolors to create gradations, blends and layers in their paintings. Students will experiment with different types of resists to create designs as well. This class is open to students of all ages and artistic abilities.*

#### **Trading Card Games**

Instructor: Keith Carey (Gamer's Grotto)

Grades: 2nd grade through 6th grade

Max. 10, Minimum: 4

Location: Library

*This group will be learning how to play both "Magik: The Gathering" and "Pokemon" trading card games. Cards will be provided for this program, but students may bring their own cards from home as well. Please note that students must be able to read well in order to play these games.*

### **WEDNESDAY PROGRAMS**

#### **Munch & Swirl: A Guided Painting Exercise**

Instructor: Gabi Rynes (Vermont Arts Exchange)

Grades: 3rd grade through 6th grade

Max. 10, Minimum: 4

*Students will munch on popcorn and other snacks while learning to paint like a pro! Because the group will be using acrylic paint, which can stain clothing, students are asked to bring a smock from home; button-down shirts work best for this. Please note that the projects will be different for this session, so students who participated in the last session are welcome to sign up for this program again.*

#### **Tabletop Role Playing Games**

Instructor: Andrew Straub

Grades: 4th grade through 6th grade

Max. 8, Minimum: 4

Location: Library

*This group will work on learning pen and paper RPGs (role-playing games). Students will learn how to create characters, work as a team, solve problems and slay monsters.*
