VSNB - Zoom Permission

Copy of the permission included on VSNB student registration for 2020-2021:

I hereby grant permission for my student to participate in live streaming of Zoom meetings and distance learning using Zoom.

Zoom is a cloud based method of video and audio conferencing allowing our teachers and students to connect in a live setting. In an effort to do our due diligence in providing a safe learning environment, parents interested in allowing their child to use Zoom for school sponsored video and audio conferencing with their teachers and/or classmates, must acknowledge the privacy policies of Zoom and complete the consent form below authorizing their child to participate in school sponsored Zoom meetings. Zoom meetings may be recorded and posted for students who are unable to join.
