

## Summer Reading Club for Kids 2021

# June 18th through August 20th

Children are invited to join the John G. McCullough Free Library's Summer Reading Club for Kids! In addition to a robust schedule of free outdoor events and craft kits, children who register and track their reading will be entered into drawings for our ten deluxe prize baskets and one grand prize: a one-month Literati Box subscription! All registrants will receive a free book and starter kit. This opportunity is free and all are welcome.
