

INSULATING WINDOW INSERTS
Affordable • Removable • Reusable

Let in more light
& Pay less on heat
Keep out the drafts

Order & participate in a WindowDresser community build happening in Bennington County this fall. To sign up, contact your local coordinator.

(802) 234-3050
benningtoncountywd@gmail.com

Custom-sized & built with care

FUELED BY VOLUNTEERS

WindowDressers is a nonprofit organization with a process that's a bit different than ordering on Amazon.

After placing your order, trained volunteers will make a house-call to measure your windows. You'll then need to participate in a local WindowDressers Community Build where your inserts are made. Finally, you pick up your inserts at the end of the workshop.

LOCAL COMMUNITY BUILDS

Volunteers from across Bennington county are excited to offer a Northshire and a Southshire builds this fall.

Contact a local coordinator to have your windows measured **today**. We've got limited capacity, as well as time sensitive funding to help cover the cost of your inserts, so the sooner the better!

Visit www.shirehousing.org/wd/ for more information about upcoming events.
