Benefits of learning chess include:

- Focusing
- Visualizing
- Thinking Ahead
- Weighing Options
- Analyzing Concretely
- Thinking Abstractly
- Planning
- Juggling Multiple Considerations Simultaneously

What happens at chess club?

School clubs are designed to accommodate a range of ability and experience levels within the classroom. Full group lessons draw from books on strategy and grandmaster games. These lessons are reinforced with small group activities where students practice skills like development, tactics, and checkmate patterns while building on their foundational chess knowledge. Students regularly participate in classroom tournaments that provide a chance to utilize their abilities in actual gameplay.
